

Sally's backyard

In my backyard we can tap dance and run
and play - be active

In my backyard we look for flowers and birds
and insects - take notice

In my backyard we can research - keep learning

In my backyard we are nice to others and we help them - we give

In my backyard we talk and text
and write and skype and zoom - we
connect

And in my backyard there is always time for lazing by the award winning olympic sized pool!
